# David Hanigan, PhD, PE

Associate Professor Program Director, Environmental Engineering Department of Civil and Environmental Engineering College of Engineering University of Nevada, Reno

EDUCATION

Dissertation Title: Identification of N-nitrosodimethylamine Precursors to Improve Their Control Committee Members: Paul Westerhoff, Pierre Herckes, Bruce Rittmann

## University of Missouri - Columbia

Thesis Title: Removal of Disinfection By-product Precursors by Activated Carbon and MIEX® Committee Members: Thomas Clevenger, Enos Inniss, Allen Thompson

**B.S. Civil Engineering with Honors** 

## PRINCIPAL AREAS OF TEACHING AND RESEARCH EXPERTISE

Environmental chemistry, drinking water treatment, wastewater treatment, water quality, water reuse, analytical chemistry, emerging contaminants, disinfection byproducts, oxidation, natural organic matter, pollutant remediation, per- and polyfluoroalkyl substances (PFAS), groundwater, agricultural reuse of wastewater, thermal treatment, thermal decomposition chemistry, combustion, pyrolysis, incineration, stack emissions.

## ACADEMIC EXPERIENCE

University of Nevada, Reno. NV

Associate Professor Program Director, Environmental Engineering Assistant Professor

### Arizona State University, Tempe, AZ

Postdoctoral Research Associate August 2015 - July 2016 Assessing the lifecycle impacts of engineered nanomaterials (EPA - LCNano). Development of a method to assess reactive oxygen species production of nanomaterials in environmental matrices and correlation with zebrafish embryo morphology and mortality.

Graduate Research Assistant

August 2011 – August 2015 Removal and characterization of NDMA precursors at bench- (RSSCTs, bottle point) and fullscale using novel sorbents. Development of an isolation/TOF/MS method for NDMA precursor identification.

**Teaching Assistant** 

January 2013 - May 2013 Teaching assistant (full semester) and lecturer of record (4 lectures) for graduate level Physical and Chemical Treatment of Water and Wastewater. Greater than 10 other guest lecturers in other environmental engineering graduate level courses during PhD and post-doc.

## University of Missouri, Columbia, MO

Graduate Research Assistant

January 2010 - July 2011 Mitigation of disinfection by-product (trihalomethanes, haloacetic acids) formation in source waters containing elevated hydrophilic organic matter fractions.

July 2022 – present

January 2023 - present July 2016 – June 2022

Arizona State University Ph.D. Environmental Engineering

M.S. Civil Engineering

August 2015

1664 N. Virginia St. MS-0258

Reno. NV 89557-0258

DHanigan@UNR.edu

www.DHanigan.com

775-682-7517

July 2011

December 2009

Undergraduate Research AssistantAugust 2009 – December 2009Investigated the effect of UV fluence on photoreactivation/photo repair of wastewater<br/>microorganisms.Osage Constructors Inc. (OCCI) Fulton, MO<br/>On-Site Engineer in Training (Matagorda, TX)May 2009 – August 2009Site surveying, preliminary design/bid, safety officer.May 2009 – August 2009<br/>Site surveying, heavy construction.May 2008 – August 2008

## HONORS AND AWARDS

Awards to Hanigan	
American Academy of Environmental Engineers and Scientists, 40 under 40	2023
Featured in Environmental Science: Water Research & Technology Emerging Investigator Series	2021
Nevada IDeA Network of Biomedical Research Excellence, Scientific Service Award (\$	S2k) 2019
American Water Works Association, Abel Wolman Fellow (\$30k/yr)	2014-2016
Water Environment Federation, Canham Graduate Studies Scholar (\$25K)	2014
ACS, Graduate Student Award in Environmental Chemistry (\$100)	2014
Arizona State Sustainable Engineering and the Built Environment, Lab Safety Award	2014
Arizona State University Engineering, Dean's Fellowship (\$30k/yr)	2011-2013
Arizona Water Association, Scholarship (\$1,000)	2012
Arizona State University, Ira A. Fulton Fellowship (\$5k)	2011-2012
University of Missouri, Paul Kufrin Memorial Scholarship (\$5k)	2010
Awards to Students in Hanigan's Group	
Lauren Edwards – Nevada WateReuse Graduate Student Research Grant (\$2k)	2024
Jordyn Dashiell– Nevada WateReuse Undergraduate Student Research Grant (\$800)	2024
Haley Grable – Best Poster Competition, Third Place, RemTEC Summit	2023
Kenny Hickenbottom – Whittell Forest Graduate Research Fellowship (\$5k)	2023
Kenny Hickenbottom – US Dept. of Ed. GAANN Fellowship (~32k/yr)	2021-2023
Mingrui Song – Nevada Water Resources Association Scholarship (\$500)	2021
Mingrui Song – UNR Graduate Student's Association Travel Grant (\$500)	2021
Mingrui Song – Nevada Water Reuse Association Scholarship (\$1k)	2021
Junli Wang – Nevada Water Reuse Association Scholarship (\$1k)	2021
Elizabeth McKenna – AEESP Master's Thesis Award (\$500)	2021
Junli Wang – Nevada Water Resource Association Scholarship (\$400)	2021
Junli Wang – Air & Waste Management Association Scholarship (\$2k)	2021
Kevin Stewart – US Dept. of Ed. GAANN Fellowship (~32k/yr)	2021
Ibrahim Abusallout – NV INBRE Core Services Award (\$2k)	2020
Mingrui Song – Air & Waste Management Association Scholarship (\$2k)	2020
Priyamvada Sharma – UNR Graduate Student's Association Travel Grant (\$500)	2020
Elizabeth McKenna – Nevada WaterReuse Association Scholarship (\$1k)	2020
Ibrahim Abusallout – UNR Postdoctoral Professional Development Award (\$500)	2019
Elizabeth McKenna – First Place, AWWA WQTC Student Poster Competition	2019
Elizabeth McKenna – UNR Graduate Dean's Merit Scholarship (\$5k)	2019
Saeed Arabi – UNR College of Engineering Differential Fees Assistantship (\$13k)	2019
Elizabeth McKenna – 3 <sup>rd</sup> Place NWEA Conference Poster Competition	2018
Chelsea Cluff – NSF Graduate Research Fellowship (\$138k)	2017
Chelsea Cluff – AWWA Henry "Bud" Benjes/HDR Scholarship (\$5k)	2017
